

DEPARTMENTAL PROFILE

DEPARTMENT OF
CHEMISTRY

DEPARTMENT
OF CHEMISTRY

ABOUT

DEPARTMENT of CHEMISTRY

Year of establishment:

UG – 1986

PG - 2013

Name of Programmes /Courses offered

UG: B. Sc.

PG: M. Sc. (Chemistry) (25 Seats)

(Botany, Zoology, Mathematics & Physics, Any two subjects are offered with Chemistry as an essential subject)

Annual/semester system:

UG - Annual system (3 year degree Program)

PG – Semester system (4 semesters)

Number of teaching posts:-

Number of teaching posts	Sanctioned	Filled
Professor -	01	Nil
Assistant Professors-	02	02

Faculty Profile

Name	Qualification	Specialization	Designation
Dr. Mrs. Rita Bajpai	M.Sc., Ph.D.	Inorganic Chemistry	Assistant Professor
Mr. Suresh Bharti	M.Sc., M.Phil.	Organic Chemistry	Assistant Professor

Academic support staff (technical)

Support Staff	Sanctioned	Filled
Technician	02	Nil
Lab Attendant	01	Nil

Infrastructural facilities

Internet facilities for staff and students:

Total number of classrooms: 02

Classrooms with I C T facility: 01

Student's laboratories: 02

Library- Departmental library with 200 books

Result Outcomes of year 2019 - 20

The department collects and analyses data on student learning outcomes at regular intervals through internal assessment. Department takes appropriate action on the basis of analyzed data. Annual feedback is also collected and analyzed for overcoming barriers of learning.

PG – 100%

UG – 100%

Departmental/Student Activities –

Every year our department organize quizzes, poster presentations, seminars and field visit under the banner of Chemical Association.
